

Skills

- Assessment and management of risk in control systems.
- Leadership skills.
- Industrial communication (Profinet, Profibus, Ethernet, Fibre optic, etc.)
- Troubleshooting plant control systems.
- Great communication skills in all levels.
- Maintenance Management skills.
- Collaboration with other team players.
- Continuous improvement/Optimization.
- Proposing Projects to eliminate recurring breakdowns due to unreliable systems.
- Plant commissioning
- Root cause analysis with pragma model
- Project management.
- PLC, SCADA & HMI
- Design schematics, programming, maintenance and configuration.

Education And Training

01/2016
Wiremans Licence:
SANS 10142
Department Of Labour

01/2008
Electrical & Instrumentation Work:
Sasol Synfuels
NQF level 2,3,4 (Apprentice)

01/2005
N6 Electrical Engineering:
Engineering
Coastal KZN (FET) College
Durban

01/2004
Matric:
Frans Du Toit Highschool
Phalaborwa

SIEMENS Training:
SIEMENS

DZUNISANI
ROYAL CHAUKE

Summary

Electrical and instrumentation technician with over 15 years experience in electrical distribution, Control systems, Siemens plc, Allen Bradley plc, Scada, installation and maintenance. Exposure in these sectors mining plant (Foskor Mine), Explosives plant (AEL), sawmill (Merensky Timbers) and particle board manufacturing plant (PB Bison).

Experience

PG BISON - ELECTRICAL AND INSTRUMENTATION TECHNICIAN

Mkhondo
09/2022 - Current

- Electrical distribution systems, Belt scales, Hydraulics, Pneumatics, vsd, soft starters, Siemens plc, Allen Bradley plc, scada, instrumentation, control systems, industrial communication (Profinet, Profibus, Ethernet, Fibre Optic, etc.) and maintenance management

MERENSKY TIMBERS - ELECTRICAL AND INSTRUMENTATION TECHNICIAN

Tzaneen
08/2012 - 09/2022

- Electrical distribution systems, Siemens plc, Allen Bradley plc, scada, control systems, vsd, soft starters, hydraulics, pneumatics, instrumentation, industrial communication (Profinet, Profibus, Ethernet, Fibre Optic, etc.) and maintenance management

FOSKOR MINING COMPANY - PLANT MAINTENANCE ELECTRICIAN

Phalaborwa
09/2010 - 07/2012

- Electrical distribution, hydraulics, material handling conveyor systems, Pneumatics, vsd, soft starters, instrumentation, Siemens plc, Allen Bradley plc, control systems, industrial network, vsd and soft Staters.

SASOL SYNFUELS - APPRENTICE ELECTRICIAN

JHB
01/2008 - 08/2010

- Electrical and Instrumentation apprentice with Sasol synfuels under chemical industry framework (CHIETA)

ADISON POWER GAUTENG - INSTALLATION ELECTRICIAN

JHB
01/2007 - 12/2007

- All electrical installation work in that construction project, working as a main sub-contractor for graniker LTA.
